scotch and Wink Dark  
Denim, from Birch  
Basics.

**CHARLEY  
HARPER®**  
ALPINE  
NORTHWEST

Bald Eagles perch high on the mountain, overseeing the bears and bunnies, through snowfall and spring bloom. Charley Harper Alpine Northwest brings us to the wild plants and animals you might see in Olympic, Mount Rainier, and North Cascades National Parks. The original park poster was commissioned by the National Park Service in 1994.
